

THE 2014 GREEN STARS

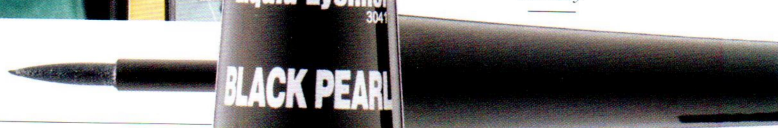

It's time to applaud the natural wonders of the world—and all they do for our skin, faces, and hair. For ELLE's eighth-annual Green Stars awards, we polled 15 pros for their favorite eco-products; the results prove that *green* can mean anything from the freshest-looking complexion to the sexiest smoky eye. Get mega-magnified metallic lids with YOUNGBLOOD Crushed Mineral Eyeshadow (shown in Azurite, Haze, and Raven), which can be applied wet for extra intensity.

FRIDAY-NIGHT BRIGHTS

NATURAL INGREDIENTS MEET HOT HUES

For perfectly winged liner that will last all night, reach for ZUZU Luxe Liquid Eyeliner in Black Pearl, free of artificial colors and fragrances.

Create supermodel cheekbones with rose hip- and sesame-seed-oil-rich ILIA Illuminators in Polka Dots & Moonbeams and Sway.

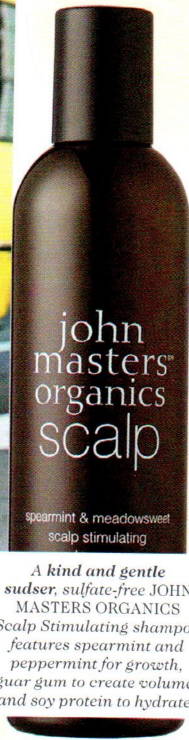

Paraben-free OBSESSIVE COMPULSIVE COSMETICS Lip Tar (shown in Anime and Grandma) creates center-of-attention lips without a lot of fuss. It's ultrapigmented, so you need only a little.

HEAD TURNER

GO GREEN WITH THESE HAIR STAPLES

A kind and gentle sudser, sulfate-free JOHN MASTERS ORGANICS Scalp Stimulating shampoo features spearmint and peppermint for growth, guar gum to create volume, and soy protein to hydrate.

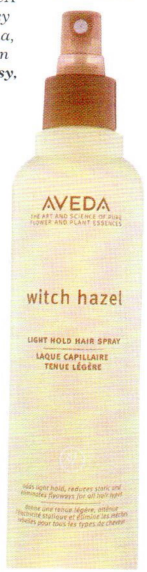

A miracle-worker oil for brittle strands, RAHUA Elixir harvests its key ingredient, unguurahua, from the Amazon rain forest to give you glossy, bouncy hair.

ORGANIX Luxurious Moroccan Argan Crème Conditioner contains argan oil to banish dullness and dryness for sleek, hydrated hair.

Lock in soft, beachy waves with a spritz of Aveda Witch Hazel hairspray, which provides a light hold while preventing hair from becoming oily.

FACE THE DAY

ECO-FRIENDLY MAKEUP-BAG MUST-HAVES

ELLE editors and makeup pros agree: RMS "Un" Cover-up is a powerful secret weapon. Its mineral pigments blend to fake a flawlessly clear complexion.

High in antioxidants and packed with vitamin C, TARTE Cheek Stain (shown in Blissful) on lips and cheeks adds a flush of color that starts rosy and builds to bright.

Get well-defined, ultralong lashes with a sweep of petrochemical-free JANE IREDALE PureLash Lengthening Mascara in Jet Black.

TIME TESTED

NATURAL WAYS TO TURN BACK THE CLOCK

For sunproof skin, JOHN MASTERS SPF 30 is packed with good-for-you ingredients like green tea and jojoba.

Derms recommend REN Hydra-Calm Youth Defence Serum. With milk polypeptide and yeast-based beta-glucan bio extracts, it gently nixes redness and gives skin a revved-up radiance.

Enriched with rose hip oil, 100% PURE Coffee Bean Caffeine Eye Cream brightens dark circles for wide-awake eyes, no Venti cup required.

NEAL'S YARD Rose Formula Antioxidant Facial Mask contains floral extracts and gotu kola to boost collagen and deliver a refreshing light-up-the-room glow.

S.O.S. ESSENTIALS

FAST FIXES FOR SOUND-THE-ALARM MOMENTS

KIEHL'S Blue Herbal Spot Treatment—made from gentle salicylic acid, cinnamon bark, and ginger root—targets blemishes and delivers a fresh, clear complexion.

Get bombshell volume with SKINNYSKINNY Grapefruit and Cardamom dry shampoo. The organic powder blend even comes in a biodegradable package.

Manage redness and irritation with PAI Chamomile & Rosehip Calming Day Cream. It boasts an antioxidant arsenal, including multiple omegas, that give you straight-from-the-spa skin.

The botanical waxes and shea butter in BURT'S BEES Lip Shimmer (shown in Guava) offer a soothing solution to chapped lips.
